LEGACY MEMORIALS

We continue progressing on our day care and gymnasium phases of our St Gabriel school project over the summer in anticipation of being open for the fall school semester. These projects were only possible through the generosity of our parish families. Although the capital campaign was very much a success, there remain many items that remain on our proposed project list that need to be funded. Some of these will be funded through savings in construction costs thanks to many donations of time and material of our local contractor parish members. Without their commitment and dedication, we would not be nearly as far along with our construction as we currently are.

In addition, simply running a school and the parish has always been and will continue to be a challenge. We try to be as efficient as we can in providing the services we offer, but keeping up with the rising costs is a challenge. Teacher salaries, insurance for facilities and personnel, heating and cooling as well as repair and maintenance are some of the things we strive to cover. It is my desire to develop a fund that will be able to cover many of these items, as well as the possibility of a fund for an associate priest. Last fall we were offered an opportunity to have an associate join us at Holy Family, but we were not able to consider this due to our financial situation.

One way you can help in this is offering a legacy memorial in your will. Did you know that less than 7.5% of the population remembers their parish or other charitable organization in their will? This is one of the best assurances that your gift will have the most impact. Although not tax advice, a gift often can restructure your estate to benefit other beneficiaries. (For details on your situation, please consult a professional.) Your gift can be directed to any number of specific goals at the parish, or it may be used in a general way, all at the discretion of the donor.

Lastly, at times you may have a piece of property or real estate that you may wish to sell. Donating this to a non-profit such as your parish may be another alternative to a cash donation. A donation such as this does not have to be part of a will, and may help in your tax planning. Again, for details on your personal situation, please see a professional.

Thank you for considering a legacy memorial or another gift in kind to your parish. These gifts are much needed and appreciated by everyone, and are often the way we can upgrade computers or text books in our school, improve lighting or parking at our parish or school, offer special missions or retreats or generate a plan for upgrading mechanical systems of roofs over time or any number of other projects that come up.

God bless

Fr. Jim

THANK YOU FROM CASA HOGAR

On behalf of Msgr. Joe Hirsch I would like to thank everyone that contributed to the mission appeal. This was a record year for our parish, and we will be sending over \$8,000 to the Casa Hogar orphanage, which is awesome. I have visited the orphanage just outside Lima, Peru, and have seen the good work they do. Thank you for your generosity and God bless.

Almighty and Good God, Father of all Creation, we thank you for placing deep within us the Divine Attribute of freedom and giving us a longing for it in our daily lives.

In History the founders of our great nation enshrined religious freedom as our highest liberty.

Inspire in us the gifts of wisdom and courage by which we may defend our liberties always, so that our children and our children's children may be ever free to walk by the light of your Truth. Amen

(Bishop William Callahan, OFM Conv)

We had the wrong information in our bulletin for our parish app. It should have read: myparishapp.com or text the word "APP" to 88202 to download
 Sorry for any inconvenience.

Don't forget to use SCRIP over the summer months. We all need to purchase groceries, gasoline, etc. Plus our gift cards make great gifts for any occasion. SCRIP is such a painless way to make extra funds for our parish and school.
