Prayer for Spiritual Communion

**My Jesus,
I believe that You
are present in the Blessed Sacrament.
I love You above all things,
and I desire You with all my heart.
Since I cannot now receive
You sacramentally,
I ask you to come spiritually into my heart.
I embrace You as if You were already
In my heart
and unite myself to You completely.
Please do not let me ever
be separated from you
Amen**

Dear parishioners and visitors,

When this month started, I had written on the first weekend that this is Respect for Life Month in the Church. Now that we are coming to the end of October, I hope that we have been reflecting and praying for a greater respect of human life from the moment of conception to the last natural breath. There are so many issues the world has to face which causes disrespect. These degrade human life so much that the world becomes immune to this. Instead of seeing it as a gift of God made in his divine image, the world wants control of it at every stage and will define it anything but a divine gift.

Please do not forget to understand it as a true gift from God. If we do not hold it sacred, the world will continue to degrade it which anybody can believe there is little worth to human beings. It becomes of no value or sacredness if God is not a part of the understanding in what is a human being. Please continue to know, understand and pray for the sanctity of human life not just for this month but throughout the year.

Thank you, and God bless you.

Msgr. Stoetzel

SCHOOL NEWS.....The third grade class explores the joy of social studies. This month, the third graders have been learning about different cultures through social studies. We have been busy building instruments, discovering the importance of conservation, going on treasure hunts to better understand cardinal directions and even taking a look at the land formations in our own backyard. Soon we will be replicating Native American housing styles! There is fun to be had in the present while learning about the past.
